

Paleogenomics and Paleopathology -Future perspective-

Date/Venue

Click here to join online!

Date: Feb. 7, 2023 (Tue.) 2:00 p.m. - 5:00 p.m.

Venue: Kanazawa University, Kakuma Campus, Human Society Bldg. 2, 3F Conference Room 1

Zoom URL: <https://kanazawa-university.zoom.us/j/85840336393?pwd=OWwxaTlNG82eWNFWXR3eVNxZzZwZz09>

14:00 – 14:20: Toward the Formation of an Asian Network of Paleogenomics

Takashi Gakuhari (Kanazawa University, Japan)

14:20 – 14:50: Genetic aspects of bioarchaeology in South Korea

Jong Ha Hong (Kyung Hee University, Korea)

14:50 – 15:20: Consideration of Price-to-Efficiency in Ancient DNA Studies

Dong Hoon Shin (Seoul National University College of Medicine, Korea)

15:20 – 15:30: Break

15:30 – 16:00: Dental Health of Prehistoric Populations from Mongolia

Erdene Myagmar (National University of Mongolia, Mongol)

16:00 – 16:30: Ancient Human and Pathogen genomics in the Japanese archipelago

Shigeki Nakagome (Trinity College Dublin, Ireland & Kanazawa University, Japan)

16:30 – 17:00: Expectations for Paleogenomics from a Paleopathological Perspective

Hisashi Fujita (Doshisha University & Paleo Labo Co Ltd., Japan)
